## **FACELIFT & PRODUCT LINE EXTENSION:**

**The new BASIC and PARABELT bags make PARAT product portfolio complete.**

*The new BASIC and PARABELT bags make the PARAT product portfolio complete...*

... and also some brand new models have found their way into the PARAT product family. Manufactured to the PARAT long-life quality as always, every effort has been made to make these tool bags even more hard-wearing. Extremely robust nylon is therefore the material of choice, which convinces with its low weight while it withstands loads up to 320kg. 'PARAT products become your companions, for a lifetime' - so goes our maxim. Accordingly, all our products have to undergo a comprehensive validation and test program, based on our 75 years of expertise in textiles.

From the new BASIC Bucket with its practical bucket shape to extremely lightweight BASIC Soft Bags up to BASIC Drill Holder and BASIC Back Pack – we offer the perfect storage solution to suit every trade and situation!

### **PARABELT**

With the proven belt pouches from the PARABELT product line, you always have your tools ready to hand – quickly and easily. Whether you need a simple hammer holder, cordless screwdriver holder or small tool bag: The practical PARABELT storage solutions are suitable for all jobs in which you need to carry your tools directly on the body. The high-quality tool bags are made from heavy-duty material using high-precision sewing technology to ensure secure hold for your tools.

### **PARAT BASIC**

High-class tool wallets, a tool backpack, classic roll-up cases and tool holders: The BASIC line features a variety of handy helpers for use in workshops or on the go. The cases are manufactured from premium nylon material outside, the plastic reinforced case bottom protects the content from wet and wear inside. In other words: a durable tool bag that wows with its practical compartments – and a must-have for all design fans.

Get important news and current product updates and optimizations about tool bags and cases by PARAT on our 'PARAT Koffer' facebook page and on instagram parat\_official or browse our 'PARAT tool cases' webpages at: [www.werkzeugkoffer.de](http://www.werkzeugkoffer.de)
